

## ADMISSIONS AND ENROLLMENT

Colorado Springs Conservatory (CSC) CORE programs are after-school programs open to any child interested in and motivated to participate in the rigors of the CSC curricula.

Upon completion of the online enrollment and enrollment meeting, a student's place is secured for the entire school year. The student's parent(s)/guardian(s) is responsible for the student's tuition from the point of enrollment through the entire school year.

In order to maintain a small instructor/student ratio, class and program size is limited. Students may be wait-listed as a result and will be notified in ample time if a space becomes available.

Students and parents understand that through participation in the CSC programs and performances, students will be photographed and videotaped for publicity purposes including promotions, advertisements and collateral materials. Photos and videos may also be made available for purchase through CSC. Enrollment in the CSC program will authorize and release all entitlements of pictures and video taken of the student. Anyone wishing to not have their student photographed or videotaped may opt out when registering the student.

## PRIVATE LESSONS

CSC Bridge to CORE, CORE and COMPANY programs include a private lesson in a chosen primary focus of study. The program director will make every effort to place students with the private instructor that will best suit the student's individual needs.

Students enrolled at CSC cannot be concurrently studying the same instrument or discipline at another institution, or with an off-site private instructor, without the prior approval of the CSC program director. ALL CSC private lessons **MUST** take place on-site at CSC. **All scheduling, cancelling and rescheduling of private lessons is to be done directly through the CSC scheduler. CSC instructors will not directly contact CSC students or families for scheduling.**

It is the responsibility of the parent and/or student to notify the Conservatory program director of any problems that arise regarding a private instructor. Likewise, the Program Director will be notified by the CSC faculty of similar concerns. **Any and all studio changes will occur only with the approval of the program director.**

**HOMEWORK**

Students are required to practice their private lesson assignments and piano lab assignments on a daily basis. It would be helpful to set up a regular practice time at home each evening. Students will receive weekly progress and assignment reports for all private lessons via CSC family portal.

**STUDENT JURIES**

Student juries are an assessment of personal growth and progress in a student's area of private study and occur at the end of the spring semester. Jury criteria vary by program. Students are adjudicated on musicianship, difficulty of selection (based on ability level), memorization, presentation and preparedness. All students taking private lessons, with the exception of Novice students, are required to perform for a faculty committee jury.

**DRESS CODE**

Individual style and statements are encouraged at The Conservatory; however, clothing and accessories must be tasteful and appropriate for classes, lessons and rehearsals. Inappropriate attire is a distraction and sets a poor example for the younger CSC students.

### **ATTENDANCE AND ABSENCES**

Student must make every effort to be on time for all classes and lessons. Notice of anticipated tardiness or absence for any class or lesson must be phoned and/or emailed into the front office. Any anticipated cancellations must be made within 24- 48 hours. Failure to do so may result in dismissal from the program. If you do not participate in your core curriculum studies, to include all final assessments, juries and examinations, as required by the enrolled program, you may not be given the opportunity to participate in performances to include large-scale productions as well as recitals.

### **MISSED PRIVATE LESSONS**

Upon enrollment in a CSC CORE program, a student's private lesson time is secured for the duration of the school year. Private lessons missed by the student for any reason will not be refunded or rescheduled. Private lessons missed by the student because of religious observance, contagious illness, or emergency may be made up only in the event of an opening in the instructor's schedule. However, there is no guarantee of make-ups for student absences as our instructors' schedules tend to be full. If the instructor must cancel a lesson, a make-up lesson will be offered based on the instructor's availability. If the student then misses the make-up lesson, a second make-up lesson will not be arranged. CSC classes missed by the student cannot be made-up and tuitions will not be refunded. If a student is 10+ minutes late without calling in to the front office they will forfeit their lesson time and it may not be made up.

### **MISSED CLASSES**

CSC classes missed by the student cannot be made-up nor will tuitions be refunded.

### **HOLIDAYS AND OBSERVANCES**

The Conservatory publishes a school year calendar that includes a fall, winter and spring break. During these breaks the CSC is closed and no classes or lessons will be held. These breaks do not preclude the fact that a performance and/or rehearsal may take place.

### **WEATHER**

In the event of inclement weather overnight or in the early morning hours, students and parents should call the CSC front office at 719-577-4556 after 7:00 a.m. on the day of classes to determine closure or cancellation of sessions. As CSC serves youth from an 80-mile radius on a weekly basis, we do not follow any one school district's closure policy. If inclement weather occurs after 12 noon, an email will be sent to all CSC families by 2 p.m. Students may call the front office after 2p.m. to find out if after-school programs are cancelled. **In the event of class cancellation due to weather, NO MAKE UP SESSIONS for private lessons or classes will be scheduled.** CSC reserves the right to early dismissal if inclement weather occurs during after-school

programming. This is done to ensure student safety. **There are NO MAKE UP SESSIONS for these occasions. Online lessons maybe given as an option to students. Students will be notified that day.**

### COMMUNICATIONS

All CSC communications occur via parent portal, phone, email and website. We ask that students check their cell phone and home phone for any communications that may occur prior to traveling to CSC.

### LOCATION OF PROGRAMS

All the CSC programs, classes, workshops and lessons will take place on-site or virtually. NO programming will occur off-site unless approved by the program director.

### SAFETY AND SECURITY

All students must sign in at the front desk upon arrival. All students must sign out as classes are dismissed. If there is for any reason, a change of persons either picking up or dropping off a student, it is imperative that the front desk be notified prior to the student's arrival or pick-up.

CSC cannot be responsible for children left unattended after dismissal of classes. We require parents to pick up the child promptly at the scheduled end of class. Parents should notify the office if they are delayed. Children will NOT be released to the parking lot unescorted for safety reasons. Parents must retrieve children from the foyer of the CSC.

### PERSONAL PROPERTY

CSC is not responsible for any personal property. All property should be labeled clearly with student's name. If it is necessary for items to be left at The Conservatory, they should be left in designated areas to ensure safety.

- The registration fee is due at the time of enrollment and is **NOT REFUNDABLE** for any reason.

## CSC SCHOLARSHIPS

**Upon enrollment, all tuitions posted in the CSC tuition structure reflect a 48% scholarship for each student. Any student/family receiving additional scholarship will be required to sign a written contract committing to full participation in the CSC program.**

- Any additional CSC scholarships are partial scholarships (CSC does not offer 'full' scholarships) and are 'Merit' based.
- Students will be considered for a merit scholarship after a minimum of one semester of study in a CSC program. Consideration for any scholarship is subject to the approval of the CSC Community Scholarship Council.
- After a minimum of one semester of study, the student's family may submit a letter requesting additional scholarship support. The letter will be reviewed by the CSC Community Scholarship Council who will select students for the interview phase.
- Students new to CSC or students who have taken a break from their studies at CSC will not be considered for further assistance until they have completed at least one semester of studies.

Parents may be asked to submit a financial report. Students will be required to submit handwritten thank you notes to the benefactors. This information will be given to the student at the time of scholarship notification.

No assistance is guaranteed at any given time.

Any deviation from school policy and procedures will be taken into account as funding is considered.

If a scholarship is granted, students and parents must abide by all CSC policies or run the risk of retraction of scholarship assistance. Scholarship recipients are required to write (handwritten) 'thank you' notes to the CSC board of directors and to those providing the scholarship funds.

A student's ability to obtain and maintain his/her scholarship award maybe reviewed at the end of each semester. Students must uphold the following standards throughout each semester:

- 3.0 or higher grade point average
- Adequate participation in community outreach and gigs as outlined by curriculum coordinator and/or program director
- Exemplary role modeling
- Full participation of the CORE curriculum program
- Assessment from private and classroom instructors

Assessments will also take into consideration CSC class attendance and participation.

A student's place is secured for the entire school year upon enrollment in any CSC program. The student's parent(s)/guardian(s) is responsible for the student's tuition from the point of enrollment through the entire school year.

CSC agrees to release the Parent(s)/Guardian(s) from this agreement if the child is withdrawn from The Conservatory for any one of the following reasons:

- Move from the area
- Physician's advice
- Determination by CSC personnel that the school experience is inappropriate for the child

Should a student be withdrawn for any of the above stated reasons, any unused portion of the tuition is refundable at the time of withdrawal. Except for reasons stated above, parent(s)/guardian(s) is responsible for the full year's tuition. If a student has received a scholarship for CSC studies and withdraws for any reason other than those listed above, the student forfeits that scholarship and the parent(s)/guardian(s) is responsible for the payment of the original tuition amount.
