

COLORADO SPRINGS CONSERVATORY

2026-2027 PERFORMANCES

October Recitals are a chance for our private lessons students to practically apply what they are learning. Performing in front of an audience is a necessary step in the development of any growing artist. Students work with their private lesson mentor to determine which recital they will appear in and what materials will be performed. All private lesson students are expected to participate in one of these recitals.

Both recitals are free and open to the public.

The Fall Features concert is designed to celebrate all the disciplines studied at CSC, and to reward students who demonstrate exceptional growth during the fall semester. Lead mentors select students from the October Recitals to perform at this community-facing, ticketed event. Performance is on the first Friday in November to coincide with the foot traffic attending surrounding galleries and restaurants.

\$20/ ticket (wine & light snacks provided)

Flowers & concessions available for purchase.

Produced in collaboration with the Colorado College Music Department, our winter musical showcases the talents and tenacity of our Preparatory and Foundational students. Performed in Celeste Theatre on the CC campus, this is a not-to-be missed weekend of students of all ages expressing themselves through musical theatre.

\$25/ ticket (each participating student receives 2 complimentary tickets)

Flowers & concessions available for purchase.

The 5th annual Holiday Extravaganz is a holiday celebration of all the music students studying at CSC. Performed at the end of the fall semester, students from classes and private lessons come together to showcase the work they have been doing during the fall and to help get family and friends into the holiday spirit. All students except Preparatory and Foundational Theatre students are expected to take part in this awesome event.

\$20/ ticket (each participating student receives 2 complimentary tickets)

This concert highlights all of our students working in the Contemporary Music track. Students studying percussion, guitar, bass, songwriting and composition will all be featured during this concert. We will also see a set performed by our Ensemble!

Free and open to the public.

All vocal students are expected to participate in Voice Night! Mentors will work with their students to prepare material for this special event for our voice students. Singer-songwriters, musical theatre performers, and classical singers will all be featured in this event.

Free and open to the public.

This concert celebrates all of our piano and strings students! Similar to Contemporary Music and Voice Nights, mentors will work with these students to prepare material for this fantastic concert celebrating our instrumentalists.

Free and open to the public.

Preparatory Theatre students take the stage in the spring play. The Laramie Project presents a deeply complex portrait of a community's response to the 1998 murder of Matthew Shepard, a young gay man living in Laramie, Wyoming. This breathtaking theatrical collage explores the depths to which humanity can sink and the heights of compassion of which we are capable.

The Festival concludes our CSC school year. All students and all disciplines will perform in one or more of the eight shows that take place over two days. Foundational Theatre, Early Childhood, APN, Exploratory, Contemporary Music, Voice, Piano, and Strings will all have performances. The Festival ends with Senior Recitals, a celebration of our graduating seniors.
